II.2. Scope of the procurement

II.2.1. Total quantity or scope

NAV Grünerløkka is a municipal and state business jointly operated by the Grünerløkka borough and NAV. The public reception at Marstrandgate 6 has, as its main task, serving 500–550 visitors per day, and employees. Its primary function is to service existing and new clients as well as information and guidance on NAV's services and benefits.

The procurement will consist of security services at the public reception. This means having a security guard in place during office hours.

The residences at Østerdalsgata 7 are homes for people with various challenges. Security services include: To assist employees to unlock the building every morning, and patrol the public areas and remove any unauthorized persons. Each evening, assist employees in clearing the common public rooms of people and locking rooms. Conduct a check of the building's public areas. Any unauthorized persons are to be shown out. Ensure that employees have safely left the building. Assist the staff with checking rooms in the the emergency department. Assist with various other lesser control tasks as needed and contact the police for further assistance when necessary. Residents should be able to summon guards as needed when the building is unattended.

II.2.2. Information about options

Options: yes

Description of options: Extension of the contract for one year.

II.2.3. Information about renewals

This contract is subject to renewal: no
