### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

The requirement shall be documented as follows:

- Norwegian companies: company registration certificate,
- Foreign companies: verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Sufficient economic and financial capacity to be able to fulfil the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

This shall be documented with a credit rating based on the last known fiscal figures. The rating must be carried out by a credit rating company with a licence to conduct this service.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

The tenderer must describe up to three (3) of their most relevant projects delivered over the past three (3) years. The description must include a statement of the contract's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers may do this by including documentation on the competence of the personnel that can be used for this project, including experience that has been acquired while the personnel was in the service of another employer.
