Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: 1. Certificate of registration.

2. VAT Certificate(National).

3. Tax Certificate (National).

4. HSE Declaration (National).

III.2.2. Economic and financial ability

List and brief description of conditions: The Tenderer shall have financial capacity to fulfil the agreement.

Credit rating no older than 4 months with respect to tender deadline, with key figures from a recognised credit agency.

The Tenderer shall have a credit rating equivalent to or better than:

'A'—Strong capacity to meet financial commitments, but somewhat susceptible to adverse economic conditions and changes in circumstances.

Tenderers not able to achieve such a credit rating, e.g. newly started businesses, may submit other documentation and an explanation as to why the Tenderer should be regarded as having sufficient financial capacity despite not being able to achieve the required credit rating.

Minimum level(s) of standards possibly required: Credit rating A.

III.2.3. Technical and professional ability

List and brief description of conditions:

A list of the main relevant services provided by the Tenderer in the past 3 years, with the sums, dates and recipients, whether public or private, involved. Evidence of delivery and services provided shall be given:

— where the recipient was a contracting authority, in the form of certificates issued or countersigned by the competent authority;

— where the recipient was a private purchaser, by the purchaser's certification;

— or, failing this, simply by a declaration by the economic operator.

If the Tenderer tenders for more than one area, experience in each area shall be listed

separately.

A description of the technical facilities and measures used by the Tenderer for ensuring quality.

The Tenderer shall have sufficient manpower to ensure proper supply of services.

The Tenderer shall have necessary tools and equipment to provide relevant services.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure
