## **Section II: Object of the contract**

---

### **II.1. Description**

#### **II.1.1. Title**

Framework agreement Eirspan bridge management (regional & local road bridges).

#### **II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Ireland.

NUTS code IE Éire / Ireland

#### **II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

The procurement involves the establishment of a framework agreement

#### **II.1.4. Short description of the contract or purchase(s)**

The Department of Transport, Tourism & Sport ("the contracting authority") is acting as a central body in respect of a multi party framework agreement ("the framework agreement") for the provision of multi-disciplinary consultancy services for bridge management related projects ("the Services") with an anticipated duration of 3 years, with a possible extension, at the sole discretion of the Contracting Authority, for a further twelve months.

The List of Public Bodies that will be entitled (but not obliged) to draw down Services from the framework agreement in accordance with the rules of the framework agreement are set out in Section VI.3 of this contract notice.

The services required are for bridge management related projects dealing with the inventory gathering, principal inspection, special inspection and structural assessment of bridges on regional and local roads and any other related engineering consultancy services as required.

Note: to register your interest in this notice and obtain any additional information please visit the eTenders Web Site at <http://www.etenders.gov.ie/>.
