Additional information can be obtained from:

the abovementioned address

Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained from:

the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Type of the contracting authority

Body governed by public law

I.3. Main activity

Other: Integrated Transport Authority

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Enhanced Infrastructure Framework Agreement — Lot 2 Totems.

II.1.2. Type of contract and place of performance or delivery

Works

Execution

Main site or place of performance: Centro supported area of the West Midlands, U.K. for any Centro procurements and the rest of the U.K. for other organisations having access to the framework.

NUTS code UKG West Midlands (England)

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

The notice involves a public contract

II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement : 4

Duration of the framework agreement

Duration in years: 4

II.1.5. Short description of the contract or purchase(s)

Centro wishes to qualify up to four suppliers to each sub-Lot of a four year maximum term Framework Agreement to supply and install a high quality / enhanced catalogue of totem products to improve city centre environments within Centro's network across the West Midlands area.

This framework should make available a suitable range of totem products offering enhanced information provision, available for call-off purposes. Please note, however, that there may be small elements of contractor design required dependent on the characteristics of a particular site.

Suppliers are asked to submit bids for any or all of the following sub-Lots (based on potential annual spend):

— Way-finding totems (0 GBP — 50 000 GBP, 50 000 GBP — 150 000 GBP and 150 000+ GBP)

— Interchange totems (0 GBP — 50 000 GBP, 50 000 GBP — 150 000 GBP and 150 000+ GBP)

— Transport totems (0 GBP — 50 000 GBP, 50 000 GBP — 150 000 GBP and 150 000+ GBP)

Some call-offs undertaken from this Framework Agreement may be subject to EU Involvement / ERDF or other associated or relevant funding.

Centro will usually undertake a suitable mini competition to award each piece of work.

However, Centro also reserves the right to make a direct award if appropriate.

Tenders are due back by the closing date of 12:00 noon on Friday 24.4.2015 and the deadline for clarification questions, via BravoSolution, is 12:00 noon on Monday 20.4.2015.

This Framework Agreement for Lot 2 is expected to commence in June 2015 and is available for any Local Authority, Integrated Transport Authority or public body in the U.K. to access and order from including specifically all 7 West Midlands authorities (especially Birmingham City Council & Coventry City Council), Marketing Birmingham, Leicester City Council, Bristol City Council, Shropshire County Council and West Yorkshire Combined Authority.

In addition, this Framework Agreement will also provide a mechanism for Centro to procure spares for its existing estate of Birmingham City Centre totem infrastructure.

As this is a Framework Agreement it is not known at this stage what the aggregate value of spend will be across the various sub-Lots over the duration of the framework in terms of Centro spend or spend incurred by the various organisations that can access and order directly from the framework. It is not the intention that Centro uses the framework to procure on behalf of other organisations rather that other public bodies have access to it and procure directly from the qualified suppliers for the sub-Lot(s) concerned.

II.1.6. CPV code(s)

44212321 Bus shelters, 45213315 Bus-stop shelter construction work
