### **III.2. Conditions for participation**

#### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: The tenderer shall be a legally established company. Norwegian companies shall document a company registration certificate from the Brønnøysund Register Centre. Foreign companies shall document this with certificates of registration in a trade register as determined by the legislation in the country in which the service provider is established.

The tenderer shall fulfil his obligations in relation to payment of taxes, VAT and other public excises. All Norwegian service providers shall enclose tax certificates for VAT and tax. Tax certificates shall not be older than 6 months, from the tender deadline.

The tenderer shall comply with statutory requirements related to HSE work. Documented by a signed HSE self-declaration, not older than 6 months. The form for the HSE self-declaration can be obtained from the website: [http://www.abakus.as/images/stories/mal/HMS-erklring\\_ES.doc](http://www.abakus.as/images/stories/mal/HMS-erklring_ES.doc)

The tenderer must fulfil the requirement for good conducted in accordance with PPR §§ 11-10 (1) e, or 20-12 (1) e. Documented by a completed self-declaration on conduct. The form can be obtained from the following website: [http://www.abakus.as/images/stories/mal/Egenerklring\\_om\\_vandel.doc](http://www.abakus.as/images/stories/mal/Egenerklring_om_vandel.doc)

#### **III.2.2. Economic and financial ability**

List and brief description of conditions: Tenderers shall have adequate financial capacity for implementation of the assignment. Documented by an expanded report from Bisnode <http://www.soliditet.no/> The report must be dated after the announcement date for the contest. If such a report is not presented, Abakus reserves the right to collect an extended report from Bisnode and base the assessment of the tenderer's economic and financial situation from the information given in the report. Information on the tender date applies. A credit rating equivalent to or better than 'A' or 'AN' is required to participate in the competition.

#### **III.2.3. Technical and professional ability**

List and brief description of conditions:

The tenderer shall have experience from similar contracts Tendering businesses shall document a minimum of 3 equivalent projects during the last 3 years. The documentation shall

include the name of contracting authority, scope, content and delivery date.

The tenderer must have very good execution ability. This shall be documented by:

- An overview of the service provider's total manpower;
- Information about established partners or sub-providers that have an impact on this delivery.

The tenderer shall have an established quality assurance system. Documented by an account of the company's quality assurance system, including health, environment and safety that is relevant for this contract. If procedures are described in the company's quality system in accordance with ISO 9001 or equivalent third party verified system, it is sufficient to submit a valid certificate.

The tenderer shall have an environmental management system to ensure a low environmental impact when carrying out the delivery. The service provider shall document an environment management system that, as a minimum, consists of routines for seeing to the following elements:

- The company's environment aims and environment policy;
- Environment strategy;
- Provision of the service in an environmentally responsible way, e.g. waste sorting and transport.

A declaration from the company can be submitted, which describes how the routines have been implemented and how they function. The submission of a valid certificate is sufficient in cases where the procedures are described in the organisation's environmental management system, in accordance with the Eco-lighthouse Programme, ISO 14001, EMAS or an equivalent system verified by a third-party.

Tenderers shall fulfil licence terms in accordance with the Professional Transport Act § 5. Documented by a valid licence.

#### **III.2.4. Information about reserved contracts**

#### **III.3. Conditions specific to services contracts**

##### **III.3.1. Information about a particular profession**

Execution of the service is reserved to a particular profession: no

##### **III.3.2. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no
