Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally established company, one-person company, or a company that is being founded (SUS).

Certificate from the register of business enterprises or the unit register.

Company that is being founded: Foundation document.

The foundation document must include a separate regulation and provision that the company is bound by and obliged to maintain the validity of tenders submitted in a contest in accordance with the rules on public procurements. In addition, an account formulated in accordance with the rules in the Companies Act § 2-6 on the separate regulation, and the auditor's confirmation of the account, are to be submitted together with the foundation document.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial solidity to fulfil the contract obligations.

The contracting authority will evaluate the Tenderer's fulfilment of the qualification requirements in the following manner:

For businesses subject to the accounting obligation with financial activity: Approved annual accounts with notes for the last two years, as well as the board of directors' report and any auditor's report. If the annual accounts for the last fiscal year have not been formally approved, the provisional annual accounts must be presented. Any recent information that documents or can affect the company's economic standing must also be attached.

Non-accountable companies, SUS, and companies without economic activity: A budget must be attached for the assignment, and an account that substantiates sufficient economic and financial standing to carry out the assignment.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial capacity with another document, including, for example, a parent company guarantee, bank guarantee, etc.
