II.1.4. Short description

The objective of the tender contest is to enter into a contract for the management of Moss municipality's and Rygge municipality's assistive aids storehouse. The contract includes the following services which shall be provided concurrently during the contract period:

- the reception and storage of assistive aids delivered from NAV Hjelpemiddelsentral Østfold (the assistive aids central),
- the operation of the municipalities' short term lending system for assistive aids from the storehouse,
- distribution and follow-up of the assistive aids for lending,
- maintenance and repairs of the municipalities' mobility aids in the health and care institutions.

The estimated contract value is between 12 000 000 NOK and 13 000 000 NOK, excluding VAT. The estimate is based on a maximum contract period of 6 years. However, the estimated total value is subject to uncertainties. Currently Rygge municipality has its own employees who provide services for this. An increased scope must be expected as a result of a possible conclusion of this arrangement. The scope may also be changed if NAV centrally changes the guidelines for what type of assistive aids that should be available for the users.
