Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement for consultancy services within water and sewage.
Reference number: Vågå kommune

II.1.2. Main CPV code

71310000 Consultative engineering and construction services

II.1.3. Type of contract

Services

II.1.4. Short description

Vågå Municipality, hereafter called the contracting authority, invites tenderers to an open tender contest for a framework agreement contract for consultancy services within water and sewage. The contracting authority intends to enter into 3 parallel framework agreements provided that a sufficient number of suitable tenders are presented. The providers who are awarded agreements will be ranked in accordance with the evaluation of the contract award criteria.

Skjåk Municipality, Lom Municipality, and Dovre Municipality will have an individual option to join the contract upon written notification to the tenderers during the contract period including options for extensions. There shall be the same price and contract terms for option holders as the contracting authority.

See Part II, annex 1: the contracting authority's requirement specification

II.1.5. Estimated total value

Value excluding VAT: 22 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

31310000 Mains, 39370000 Water installations, 71320000 Engineering design services

II.2.3. Place of performance

NUTS code: NO020 Innlandet

Main site or place of performance: Vågå, Norway.

II.2.4. Description of the procurement

Vågå Municipality, hereafter called the contracting authority, invites tenderers to an open tender contest for a framework agreement contract for consultancy services within water and sewage. The contracting authority intends to enter into 3 parallel framework agreements provided that a sufficient number of suitable tenders are presented. The providers who are awarded agreements will be ranked in accordance with the evaluation of the contract award criteria.

Skjåk Municipality, Lom Municipality, and Dovre Municipality will have an individual option to join the contract upon written notification to the tenderers during the contract period including options for extensions. They must have the same price and contract terms as the contracting authority.

See Part II, annex 1: the contracting authority's requirement specification

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 22 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

The contract period is two years from when when the contract is signed.

The contracting authority shall also have an option for 1+1+1+1 year. Activating option for extension must be notified prior to the expiry of the contract period. The contracting authority can also extend the contract for a period shorter than one year.

The contract shall be initiated when the contract was signed.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Skjåk Municipality, Lom Municipality, and Dovre Municipality will have an individual option to join the contract upon written notification to the tenderers during the contract period including options for extensions. They must have the same price and contract terms as the contracting authority.
