Tenders or requests to participate must be submitted to the abovementioned address

I.4. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Comparison of requirements for commercial vessels and requirements for recreational craft

Reference number: 2022/14405

II.1.2. Main CPV code

71241000 Feasibility study, advisory service, analysis

II.1.3. Type of contract

Services

II.1.4. Short description

Sjøfartsdirektoratet [The Norwegian Maritime Directorate] wants a gap analysis of the builder requirements for recreational craft in regulations from 15 January 2016 no. 35 for the production and sale of recreational craft and water scooters, etc. and the requirements for commercial craft in the current regulations and the Nordic Boat Standard for commercial craft (1990). There is a great need to clarify the differences in the regulations, especially in regard to the smallest vessels. Furthermore, Sjøfartsdirektoratet [the Norwegian Maritime Directorate] wants a basis for assessing what changes can be made to the regulations that apply to the smallest commercial vessels to improve these regulations and possibly complement them with the recreational craft requirements, where this is appropriate, without reducing the level of safety. Further details are in the tender documentation.

II.1.5. Estimated total value

Value excluding VAT: 1 600 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71600000 Technical testing, analysis and consultancy services, 71620000 Analysis services, 73000000 Research and development services and related consultancy services, 73200000 Research and development consultancy services, 98360000 Marine services

II.2.3. Place of performance

NUTS code: NO0A1 Rogaland

II.2.4. Description of the procurement

Sjøfartsdirektoratet [The Norwegian Maritime Directorate] wants a gap analysis of the builder requirements for recreational craft in regulations from 15 January 2016 no. 35 for the production and sale of recreational craft and water scooters, etc. and the requirements for commercial craft in the current regulations and the Nordic Boat Standard for commercial craft (1990). There is a great need to clarify the differences in the regulations, especially in regard to the smallest vessels. Furthermore, Sjøfartsdirektoratet [the Norwegian Maritime Directorate] wants a basis for assessing what changes can be made to the regulations that apply to the smallest commercial vessels to improve these regulations and possibly complement them with the recreational craft requirements, where this is appropriate, without reducing the level of safety. Further details are in the tender documentation.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 1 600 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

End: 31/12/2022

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contract is divided into four lots: The final report for lot 1 is the first delivery.

Sjøfartsdirektoratet [the Norwegian Maritime Directorate] will decide whether it is appropriate to exercise further options for lots 2-4 based on a cost / benefit assessment of the report for lot 1. See further description in the tender documentation.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:

no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

Norwegian companies: Company registration certificate

Foreign companies: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Documentation requirement:

Norwegian companies: Company registration certificate

Foreign companies: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The tenderer must have sufficient economic and financial capacity to comply with the agreement.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Including rating such as "A creditworthy" or equivalent.

The tenderer shall have paid its taxes and duties.

Minimum level(s) of standards possibly required:

Documentation is not required. The Norwegian Maritime Directorate will obtain credit ratings of tenderers from Bisnode. Tenderers must as a minimum achieve credit score 'A credit worthy without security', or equivalent.

Certificates issued by the competent authorities in the member country where the supplier belongs, confirming that the obligations have been met regarding the payment of taxes and social security contributions in accordance with the legal requirements for the relevant country.

The certificates should not be older than six months from the tender deadline.
