DFID Tanzania is seeking the services of competent and qualified suppliers to deliver the following overall objectives: —To develop a full business case for the Accountability in Tanzania (AcT-2) programme that adequately and comprehensively demonstrates how the strategic objectives and priorities set out in the approved strategic case and the International Climate Fund (ICF) concept note will be addressed; — Upon successful completion and approval of the business case, the supplier will develop robust and efficient mechanisms to implement the approved business case in a way that delivers concrete results and sufficiently optimizes value for money (VfM) for DFID and intended beneficiaries in Tanzania. AcT-2 is a 5 year (60 months) (excluding BC and Design period) programme that is estimated to spend 25

000 000 GBP - 35 000 000 GBP (excluding costs for management, but including VAT where applicable) as grants and other services (subject to final design considerations) through eligible organizations that have the capacity and demonstrated potential to deliver specific results to ensure the attainment of the stated outcome and impact of the AcT-2 programme. This Procurement is advertised under a restricted route on the basis that one service provider will be selected following a competitive process to take forward this programme in 3 evolving stages: Stage 1 — Development of the Business Case for AcT-2 programme Stage 2 — Design of AcT-2 programme Stage 3 — Implementation of the AcT-2 programme. There will be 2 Break Points in the contract where the selected supplier will require formal approval from DFID before starting work on the next stage, we expect to revise the ToR to reflect the outcome at each stage.
