Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

The Danish Safety Technology Authority — Supply of laboratory services — 2016.

II.1.2. Main CPV code

71900000 Laboratory services

II.1.3. Type of contract

Services

II.1.4. Short description

This supply of laboratory services is handled by Servicemaegleren A/S on behalf of the Danish Safety Technology Authority. The laboratory services out to tender include laboratory testing of the Contracting Authority's main areas, i.e. toys, child care products, electrical equipment covered by the Heavy Current Act, electrical equipment covered by the Low Voltage Act, gas products, pyrotechnic articles, as well as mobile control measurements of solariums in Denmark. The Contracting Authority carries out random checks on a wide variety of products, ranging from electrical appliances, gas appliances, fireworks, to toys and other products intended for consumers. Random checks of the different product categories will help to ensure: · that they meet technical standards. · the labelling/rating is in order. · that they are not dangerous to use. Checks are typically conducted by the Contracting Authority selecting products where experience shows that there may be a par.

II.1.5. Estimated total value

Value excluding VAT: 5 500 000,00 DKK
