II.2.4. Description of the procurement

The English Institute of Sport (EIS) are seeking to appoint one supplier to provide a 24 month mobile voice and data services contract to its 325 employees which is worth approximately £300,000. The supplier will need to 1) Provide connections for all employees 2) Provide new handsets to the majority of the employees, 3) Provide ongoing technical and customers services support throughout the contract, 4) Provide a clear charging structure with an online billing portal

The handset of choice is the Samsung A5 or the Apple iPhone which will become the property of the EIS at the end of the Contract.

Competitive charges for both voice and data must be incorporated into the tender response particular for usage whilst outside of the UK. 4G coverage is mandatory with the option of being able to make calls through Wifi.

The supplier must have greater than 5 % of their domestic market share of subscribers and preferably have a UK based support /helpdesk centre.

The EIS pioneers the delivery of science, medicine and technology services to drive medal success at Olympic, Paralympic and international competition, supporting elite athletes through its nationwide network of expertise and facilities. It strives to be the world-leading high performance institute. Staff are based at nine high performance centres across the UK but services are delivered at different locations including swimming pools, velodromes and athletic tracks. Services are also delivered to athletes in Europe and the Rest of the World.
