The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Framework agreement for consultancy services for helicopter landing pads at hospitals.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: National.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Frequency and value of the contracts to be awarded: Primary call off will occur during the 1st year of the agreement.

II.1.5. Short description of the contract or purchase(s)

In connection with The Ministry of Justice and Public Security's procurement project for new rescue helicopters (the NAWSARH project), and selection of new Agusta Westland AW101 rescue helicopters which shall be phased in from 2017/2018, there is a need to modify selected helicopter landing pads at hospitals in Norway in order to be able to receive the new rescue helicopter. On behalf of The Ministry of Justice and Public Security and the regional health authority, Sykehusbygg HF is responsible for the implementation of this modification of helicopter landing pads in Norway. Sykehusbygg HF therefore wants to engage a fixed consultancy group where the assignment will consist of identifying the conditions to be implemented on the individual helicopter landing pads as well as implement the engineering design and preparation of descriptions for implementation.

For a more detailed description of the assignment, refer to Annex A. Helsebygg Midt-Norge is assisting Sykehusbygg HF with the execution of the contest.

II.1.6. CPV code(s)

71000000 Architectural, construction, engineering and inspection services, 71200000 Architectural and related services, 71210000 Advisory architectural services, 71222000 Architectural services for outdoor areas, 71240000 Architectural, engineering and planning services, 71311000 Civil engineering consultancy services, 71318000 Advisory and consultative engineering services, 71330000 Miscellaneous engineering services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The consultancy group shall first carry out an overall technical and economical assessment of eight landing pads in the period from June to August 2015, which shall form the decision basis

for further works.

Sykehusbygg HF will thereafter carry out call offs for the engineering design of the individual landing pads in the period from autumn 2015 to spring 2016. It is a goal that all physical improvement of the landing pads will be carried out in 2016.

This agreement shall cover the described consultancy services limited to a maximum of 4 years.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Start 25.5.2015. Completion 25.5.2019
