This Contract Award notice is being published to indicate that we have awarded a contract for the Management and support of the communications infrastructure (data, voice and video network) to KCOM The PCC current contract with KCOM for the Management and support of the communications infrastructure (data, voice and video network) which is due to expire on the 30.6.2014, the maximum contract term as been taken and there are no further options within to extend the contract

Cheshire West Council, on behalf of Cheshire and Merseyside, has now completed the tender process for areplacement PSN contract, and a contract has been awarded to the new supplier (Updata). The new supplier has confirmed that they will not be in a position to provide the infrastructure within the time scales we require(i.e. by June 2014 when the current contract expires), therefore to ensure the services for the Management and support of the PCC's Communications Infrastructure are maintained, it is the PCC's intention to extend the current contract with KCOM for a further 15 months, this will enable the PCC to move the contract over to the new supplier with the minimal risk to the stability of the force's infrastructure and minimal operational disruption to the force.
