5.1.9. Selection criteria

Sources of selection criteria: Notice, European Single Procurement Document (ESPD)

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Criterion: Other economic or financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers shall have sufficient economic and financial solidity to fulfil the contractual obligations. Tenderers are required to have: • Credit worthiness not lower than "Credit worthy" (equivalent to A at Bisnode CreditPro, D&B). The contracting authority will obtain rating reports from Bisnode CreditPro, D&B in order to verify that the tenderer has sufficient economic and financial capacity. (See the Competition Terms point 5.3 Economic and financial capacity).

Criterion: References on specified deliveries

Description of selection criterion: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Tenderers shall fill in the Reply Form experience with information on the most important and most relevant deliveries in the last three years, including information on the value and date, as well as the name of the public or private recipient. (See the competition provisions point 5.4 Technical and professional qualifications)
