Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Open tender competition for framework agreements for specified software, specified software maintenance and associated consultancy services.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Oslo.

NUTS code NO011 Oslo

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between 200 000 000 and 250 000 000 NOK

II.1.5. Short description of the contract or purchase(s)

The aim is to enter into framework agreements that ensure the contracting authority the right to procure further specified software licences and software maintenance on economically favourable condition. Furthermore, the framework agreements shall ensure the contracting authority access to qualitative and economically favourable consultancy services. All the included services are related to software that is heavily integrated in the contracting authority's IT systems, and/or that the contracting authority already has made massive investments in.

II.1.6. CPV code(s)

48000000 Software package and information systems, 48100000 Industry specific software package, 48200000 Networking, Internet and intranet software package, 48300000 Document creation, drawing, imaging, scheduling and productivity software package, 48500000 Communication and multimedia software package, 48600000 Database and operating software package, 48610000 Database systems, 48620000 Operating systems, 48700000 Software package utilities, 48800000 Information systems and servers, 48900000 Miscellaneous software package and computer systems, 72000000 IT services: consulting, software development, Internet and support, 72100000 Hardware consultancy services, 72200000 Software programming and consultancy services, 72210000 Programming services of packaged software products, 72220000 Systems and technical consultancy services, 72230000 Custom software development services, 72240000 Systems analysis and programming services, 72250000 System and support services, 72260000 Software-related services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The contract's estimated total economic extent, including options, is estimated to be approx. 200 to 250 million NOK excluding VAT. The estimate is non-binding on the contracting authority.

II.2.2.

Information about options

Options: yes

Description of options: Each of the 6 framework agreements will be for 1 year, calculated from the date the contract is signed, with an option for the contracting authority for an extension of 1 year at a time. The sum of each framework agreement's first period and options for extensions cannot be more than 4 years, calculated from the date the contract is signed.

II.2.3. Information about renewals

This contract is subject to renewal: yes

Number of possible renewals: 3

II.3. Duration of the contract or time limit for completion

Information about lots

Lot No: 1

Lot title: Framework agreement for specified licences for BMC-software, software maintenance connected to this software and associated consultancy services

1) Short description

2) CPV code(s)

48000000 Software package and information systems, 48100000 Industry specific software package, 48200000 Networking, Internet and intranet software package, 48700000 Software package utilities, 48800000 Information systems and servers, 72000000 IT services: consulting, software development, Internet and support, 72100000 Hardware consultancy services, 72200000 Software programming and consultancy services, 72210000 Programming services of packaged software products, 72220000 Systems and technical consultancy services, 72230000 Custom software development services, 72240000 Systems analysis and programming services, 72250000 System and support services, 72260000 Software-related services, 72600000 Computer support and consultancy services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 2

Lot title: Framework agreement for specified licences for Microsoft-software, software maintenance connected to this software and associated consultancy services

1) Short description

2) CPV code(s)

48000000 Software package and information systems, 48100000 Industry specific software package, 48200000 Networking, Internet and intranet software package, 48300000 Document creation, drawing, imaging, scheduling and productivity software package, 48500000 Communication and multimedia software package, 48600000 Database and operating software package, 48610000 Database systems, 48620000 Operating systems, 48700000 Software package utilities, 48800000 Information systems and servers, 48900000 Miscellaneous software package and computer systems, 72000000 IT services: consulting, software development, Internet and support, 72100000 Hardware consultancy services, 72200000 Software programming and consultancy services, 72210000 Programming services of packaged software products, 72220000 Systems and technical consultancy services, 72230000 Custom software development services, 72240000 Systems analysis and

programming services, 72250000 System and support services, 72260000 Software-related services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 3

Lot title: Framework agreement for specified licences for software from Citrix, RES and VMware, software maintenance connected to this software and associated consultancy services

1) Short description

2) CPV code(s)

48000000 Software package and information systems, 48200000 Networking, Internet and intranet software package, 48500000 Communication and multimedia software package, 48600000 Database and operating software package, 48610000 Database systems, 48620000 Operating systems, 48700000 Software package utilities, 48800000 Information systems and servers, 48900000 Miscellaneous software package and computer systems, 72000000 IT services: consulting, software development, Internet and support, 72100000 Hardware consultancy services, 72200000 Software programming and consultancy services, 72210000 Programming services of packaged software products, 72220000 Systems and technical consultancy services, 72230000 Custom software development services, 72240000 Systems analysis and programming services, 72250000 System and support services, 72260000 Software-related services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 4

Lot title: Framework agreement for specified licences for IBM-software, software maintenance connected to this software and associated consultancy services

1) Short description

2) CPV code(s)

48000000 Software package and information systems, 48100000 Industry specific software package, 48200000 Networking, Internet and intranet software package, 48300000 Document creation, drawing, imaging, scheduling and productivity software package, 48500000 Communication and multimedia software package, 48600000 Database and operating software package, 48610000 Database systems, 48620000 Operating systems, 48700000 Software package utilities, 48800000 Information systems and servers, 48900000 Miscellaneous software package and computer systems, 72000000 IT services: consulting, software development, Internet and support, 72100000 Hardware consultancy services, 72200000 Software programming and consultancy services, 72210000 Programming services of packaged software products, 72220000 Systems and technical consultancy services, 72230000 Custom software development services, 72240000 Systems analysis and programming services, 72250000 System and support services, 72260000 Software-related services

3) Quantity or scope

5) Additional information about lots

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

See tender documentation.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Refer to the tender documentation.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Refer to the tender documentation.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Refer to the tender documentation.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Requirement: The bidder shall be a legally established enterprise.

Documentation requirements for Norwegian companies: Company Registration Certificate.

Documentation requirement for foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

III.2.2. Economic and financial ability

List and brief description of conditions: Requirement: Tenderers shall have the financial capacity to fulfil the contract/contracts that they are competing for.

Documentation requirement: Credit rating, not older than one year calculated from the deadline for receipt of tenders. The rating shall be based on the last known accounting figures and it shall be carried out by a company with a public licence to operate credit rating services.

III.2.3. Technical and professional ability

List and brief description of conditions:

Requirement: Tenderers shall have experience with the provision of consultancy services that are relevant for the contract/contracts they are competing for.

Documentation requirement: Detailed account of the three most important contracts in the last three years per sub area covered by the tender. The list shall as a minimum include information on value, date and the name of the public or private recipient of the service. If the services were for public contracting authorities, this should be documented by certificates issued or confirmed by the authority concerned. If the services were for private contracts, certificates should be issued or confirmed by these. In the absence of this, a declaration from the tenderer will be accepted.

If a tenderer will use one or several sub suppliers for fulfilment of these qualification requirements, the tenderer in question shall otherwise document that he can use the necessary resources, for example, by submitting a binding statement, and stating which parts of the contract will be carried out by the tenderer and sub supplier(s) respectively.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Criteria below

1. Price. Weighting 60

2. Service, as well as the expertise and experience of offered personnel. Weighting 40

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

2014/198999

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

20.5.2014 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

Danish. English. Swedish.

Other: Norwegian.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

until: 20.8.2014

IV.3.8. Conditions for opening of tenders

Date: 20.5.2014 - 12:30

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

Official name: Skatteetaten v/Skatteetatens IT- og servicepartner

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

Official name: Skatteetaten v/Skatteetatens IT- og servicepartner

VI.5. Date of dispatch of this notice

31.3.2014
