#### **II.1.4. Short description**

Kristiansandsregionen brann og redning IKS [Kristiansand Regional Fire and Rescue Inter-Municipal Company] (hereafter called the contracting authority) requests tenders for the delivery of a fire engine with fixed and loose equipment ready for emergency responses, cf. the attached requirement specifications 1. The equipment shall be installed in the cabinets in accordance with further agreement with the Contracting Authority. The tender must include everything that is necessary for the fire engine and associated equipment to function operatively.

In addition we would like an option for the delivery of a fire engine for emergency responses with fixed and loose equipment, cf. the attached requirement specifications 2. The equipment shall be installed in the cabinets in accordance with further agreement with the Contracting Authority. The tender must include everything that is necessary for the fire engine and associated equipment to function operatively. The option must be taken up by the end of 2018 and it will depend on the board and representative committee's decision on financing. See Chapter 2 and the attached requirement specifications 1 and 2 for further information on the procurement.

#### **II.1.5. Estimated total value**

Value excluding VAT: 4 000 000,00 NOK
