Other activity: Leisure, culture and sport

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

New Tøyenbadet (Tøyen Swimming Pool) — K400 Electrical Contract

Reference number: websak 20/67

II.1.2. Main CPV code

45315100 Electrical engineering installation works

II.1.3. Type of contract

Works

II.1.4. Short description

Oslo Municipality c/o the Municipal Undertaking for Culture and Sports Facilities invites tenderers to an open tender contest for the procurement of 'New Tøyen Swimming Pool — electrical contract K400' — new notice.

The procurement comprises a contract for electrotechnical work for the establishment of the New Tøyen Swimming Pool, based on NS 8405, as well as Oslo Municipality's accompanying contract formula. The work also include special coordination with the contract for delivery and assembly of steel pools and water treatment systems for all pools, as well as indoor and outdoor slides.

The new swimming pool is planned to be completed in the first quarter of 2024. The New Tøyen Swimming Pool will be Oslo's largest and best swimming pool with a varied swimming offer. The centre will include both indoor pools (approx. 15 000 m²) and an outdoor pool. The project is divided into multiple contracts. This contract is for K400 Electrical Contract: electrotechnical work.

See the tender documentation and annexes.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45310000 Electrical installation work, 45317000 Other electrical installation work, 45311200 Electrical fitting work

II.2.3. Place of performance

NUTS code: NO081 Oslo

Main site or place of performance: Tøyen in Oslo Municipality.

II.2.4. Description of the procurement

The New Tøyen Swimming Pool is planned to replace the current Tøyen Swimming Pool. The Tøyen Swimming Pool has been demolished and a new, modern swimming facilities will be established on the same site. Groundworks are performed in a separate contract that begins in 2021 and finished in autumn 2021. The new swimming pool is planned to be completed in the first quarter of 2024. The New Tøyen Swimming Pool will be Oslo's largest and best swimming pool with a varied swimming offer. The centre will include both indoor pools (approx. 15 000 m²) and an outdoor pool.

The project is divided into multiple contracts. This procurement concerns K400 Electrical Contract.

The contractual relationship will be governed in accordance with NS 8405 and the associated standard contract terms for Oslo Municipality. As stated in point 1.2 last paragraph, an interaction phase will be carried out after the contract is signed.

For further details refer to the tender documentation and annexes.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tax certificate:

The selected tenderer will be required to present a tax certificate and a VAT certificate. The tax certificate must not be older than 6 months old at the deadline for submitting a request for participation in the competition or tender. For building and construction contracts, the tenderer shall require an equivalent tax certificate from all sub-suppliers when contracts are signed for the assignment with a value exceeding NOK 500 000 excluding VAT.

Company registration certificate:

Requirement:

- tenderers must be a legally established company.

Documentation requirement:

- Norwegian companies: company registration certificate;
- Foreign tenderers: verification that the company is registered in a trade register or company register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

- tenderers must have sufficient economic capacity to implement the assignment. Under this point the contracting authority will assess credit worthiness, turnover, annual results and key figures in the balance sheet;

- annual minimum turnover of NOK 50 million.

Documentation requirement:

- the tenderer's latest annual financial statements or extracts thereof if the publication of the annual financial statements is required in the state where the tenderer is established.
- credit ratings (no older than 6 months. (The contracting authority reserves the right to obtain separate credit information).

See the tender documentation and annexes.

Minimum level(s) of standards possibly required:

See the tender documentation and annexes.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

- tenderers are required to have sufficient experience with the execution of equivalent assignments of equal complexity and scope of company level.

Documentation requirement:

A description must be given of 2-4 reference projects with a transferable value from the last 5 years, with information on, amongst other things:

- the name of the project;
- the contracting authority and a reference person;
- the project's size and cost;
- type of contract and the company's assignment/role in the project;
- type of works.

All of the above points are to be responded to per project.

In order to ensure sufficient competition, documentation of assignments carried out more than 5 years ago will also be taken into consideration.

Minimum level(s) of standards possibly required:

See the tender documentation and annexes.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

The contract is based on NS 8405 with Oslo Municipality's associated contract formula. See the tender documentation and annexes.

NB: after signing the contract, an interaction phase will be carried out.

NB: Oslo Municipality's seriousness requirement and environmental requirement etc.; ref. contract formula etc.

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure
