2. Procedure

2.1. Procedure

Title: Framework agreement for waste containers with wheels, for packaging made of glass and metal.

Description: MNA shall introduce changed requirements for source sorting of packaging and as a result of this need for new wheeled containers for separate collection of glass and metal packaging. The objective of the procurement is to establish an appropriate and reliable container system for outdoor use, with robust and clear marked containers. The system shall contribute to efficient collection, reduced missortment and predictable operation. The assignment is for the delivery of wheeled containers for glass and metal packaging in several volume sizes (140 and 240 litres) for outdoor placement. The delivery shall include complete containers with the necessary components for operative use, as well as clear fraction marking. The containers shall be suitable for year round operation in weather prone environments. In addition the tenderer shall deliver a starting package with spare parts to support operation and maintenance.
