

**United Kingdom-Wakefield: Works for complete or part construction and civil engineering work  
OJ S 67/2015 04/04/2015  
Contract award notice  
Works**

**Directive 2004/18/EC**

**Section I: Contracting authority**

---

**I.1. Name and addresses**

Official name: Wakefield Metropolitan District Council

Postal address: Town Hall, Wood Street

Town: Wakefield

Postal code: WF1 2HQ

Country: United Kingdom

For the attention of: Brian Thomas

E-mail: [highwayscontracts@wakefield.gov.uk](mailto:highwayscontracts@wakefield.gov.uk)

Telephone: +44 1924306032

**Internet address(es):**

General address of the contracting authority: [www.wakefield.gov.uk](http://www.wakefield.gov.uk)

Address of the buyer profile: [www.yortender.co.uk](http://www.yortender.co.uk)

**I.2. Type of the contracting authority**

Regional or local authority

**I.3. Main activity**

Other: highways

**I.4. Contract award on behalf of other contracting authorities**

The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description**

**II.1.1. Title**

Wakefield Eastern Relief Road.

**II.1.2. Type of contract and place of performance or delivery**

Works

NUTS code UKE43 Calderdale

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

**II.1.4. Short description of the contract or purchase(s)**

Works for complete or part construction and civil engineering work. Construction work for bridges and tunnels, shafts and subways. Construction work for bridges. Bridge construction work. Road bridge construction work. Railway bridge construction work. Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork. Construction, foundation and surface works for highways, roads. Construction work for highways, roads. Road construction works. Construction work for highways. Engineering works and construction works. The proposed road will be approximately 5.5 km of single

carriageway.

The approximately 700 m of the northern section will be constructed by others within the consortium including the junctions with Aberford Road as a separate contract.

It is proposed that the southern junction will be a signalised gyratory taking in the very heavily trafficked A638 Doncaster Road and also incorporating the existing junction with the A655 / Black Road. As a main arterial route into the city, traffic flows on Doncaster road will have to be maintained at all times.

The proposed road also has to cross the Wakefield Kirkgate to Normanton railway line and the River Calder.

The railway is on a large embankment and it is proposed that the road will cross underneath the line. The design of the bridge is underway and it is intended to utilise a Network Rail type E bridge supported on piles in each corner. It is planned to construct the deck off line and to position it during a 54 hr line closure during Christmas 2015.

The river bridge is approximately 60 m long and will be of integral composite construction (steel beams with concrete deck).

Whilst it is planned to award the works as a single contract for all road and bridge works, the full funding has not yet been agreed. It may therefore be necessary to delay building the river bridge and the road until after the construction of the rail bridge. The track possession for the placing of the railway bridge is booked for Christmas 2015, and is 54 hrs.

It is intended to start construction works April 2015.

#### **II.1.5. CPV code(s)**

45200000 Works for complete or part construction and civil engineering work, 45221000 Construction work for bridges and tunnels, shafts and subways, 45221100 Construction work for bridges, 45221110 Bridge construction work, 45221111 Road bridge construction work, 45221112 Railway bridge construction work, 45230000 Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork, 45233000 Construction, foundation and surface works for highways, roads, 45233100 Construction work for highways, roads, 45233120 Road construction works, 45233130 Construction work for highways, 45220000 Engineering works and construction works

#### **II.1.6. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: no

#### **II.2. Total value of the contract/lot**

##### **II.2.1. Total value of the contract/lot**

Value: 33 000 000 GBP

### **Section IV: Procedure**

---

#### **IV.1. Type of procedure**

##### **IV.1.1. Type of procedure**

Restricted

#### **IV.2. Award criteria**

##### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of

1. The most economically advantageous tender in terms of the criteria stated in the specifications, in the invitation to tender or to negotiate or in the descriptive document.  
Weighting 100

#### **IV.2.2. Information about electronic auction**

#### **IV.3. Administrative information**

##### **IV.3.1. File reference number attributed by the contracting authority**

9LGC-YGFKEY

##### **IV.3.2. Previous publication concerning this procedure**

###### **Contract notice**

Notice number in the OJ S: [2014/S 124-220098](#) of 2.7.2014

#### **Section V: Award of contract**

---

##### **V.1. Date of conclusion of the contract**

24.3.2015

##### **V.2. Information about tenders**

Number of tenders received: 4

Number of tenders received by electronic means: 4

##### **V.3. Name and address of the contractor**

Official name: Hochtief (UK) Construction Ltd

Postal address: Epsilon, Windmill Business Park, Whitehall Way

Town: Swindon

Postal code: SN5 6NX

Country: United Kingdom

Telephone: +44 1793755573

##### **V.4. Information on value of the contract/lot**

Initial estimated total value of the contract/lot:

Value: 20 000 000 GBP

##### **V.5. Information about subcontracting**

The contract is likely to be subcontracted: no

#### **Section VI: Complementary information**

---

##### **VI.1. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no
