Access to the procurement documents is restricted. Further information can be obtained at:

http://www.simap.ch/shabforms/servlet/Search?NOTICE_NR=1063501

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted to the abovementioned address

I.6. Main activity

Other activity: Nagra

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

TBO — Inclined Scientific Exploration Wells

II.1.2. Main CPV code

45120000 Test drilling and boring work

II.1.3. Type of contract

Works

II.1.4. Short description

Project description:

Nagra = Operator.

Rig supplier = Contractor.

The scope of supply for the drilling tender includes the total of the drilling operations (coring, drilling and reaming), including all required services, personnel and materials for the well construction (for example: bits, casing, cementing, string, etc.)

The total project consists of 1 (one) firm well and 2 (two) optional wells; the slanted rig must be capable of drilling wells with an inclination from 0o up to 45o. All wells are to be drilled from different well sites.

The Operator plans to sign a framework agreement over 1 firm and 2 optional wells with the possibility of ordering additional wells.

On top of and based on the signed Framework agreement the Operator will issue a separate order for every well.

Contractor must adhere to all specifications as detailed in the license request.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

76340000 Core drilling

II.2.3. Place of performance

NUTS code: CH0 Schweiz/Suisse/Svizzera

Main site or place of performance: According to the specifications of the Operator (Northeast SWITZERLAND); detailed information is provided in the licence requests.

II.2.4. Description of the procurement

Project description:

II.2.5. Award criteria

Criteria below

Cost criterion - Name: Price / Weighting: 25 %

Cost criterion - Name: Quality and Risk Management (QHSE) / Weighting: 35 %

Cost criterion - Name: Technical features / Weighting: 40 %

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 27

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: yes

II.2.11. Information about options

Options: yes

Description of options:

See above, 2.6.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

List and brief description of selection criteria:

E1 Availability of rig:

One rig available per 1.10.2019 until completion of project.

E2 Hook-load:

Rig effective hook-load from 150 mT up to 250 mT.

E3 Noise level:

Rig noise level < 45 dB(A) at 150 m, including any auxiliary equipment:

— free noise spread.

E4 References:

Existence of minimum 5 comparable successful inclined drilling projects of the Contractor of more than 1 200 m measured depth.

E5 HSE management system:

Existence of an adequate, implemented and documented HSE management system.

E6 Economic performance:

Annual sales of the last 5 years must be over 10 000 000 EUR.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 18/04/2019 Local time: 15:00

IV.2.3.

Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

German, English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 31/03/2020

IV.2.7. Conditions for opening of tenders

Date: 23/04/2019 Local time: 23:59

Information about authorised persons and opening procedure: This is the planned opening date. The opening is not public.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

Partial offers are not permitted.

Conditions for countries not party to the WTO agreement: none, as far as respective country grants equivalent counter-rights.

Terms of business: no terms and conditions of bidder/contractor accepted.

Negotiations: —.

Basic procedural principles: the Operator will sign the contract only with partners, which commit to comply with the occupational health and safety regulations and working conditions valid for employees in Switzerland and in the specific location for the performance of work, as well as with the existing regulations. Furthermore, for the services performed in Switzerland under the project or the work, the Contractor commits to maintain wage equality for men and women.

Additional information: Nagra reserves the right to freely award further similar tasks related to this basic contract (submission decree of the canton of Aargau, § 8, para. 3, lit. i).

Procedures for appeal:

- 1) An objection against this order can be made within 10 days from its publication at the Administrative Court of Canton of Aargau, Obere Vorstadt 40, 5001 Aarau. The standstill of deadlines in accordance to the Swiss civil procedure law does not apply in this case;
- 2) The objection has to be submitted in written form and should contain a motion and a justification. This includes:
 - (a) the indication on how the Administrative Court should decide;
 - (b) and to demonstrate on which grounds this decision should be made;
- 3) An objection which does not comply with the requirements described under Points 1 and 2 will not be taken into consideration;
- 4) The contested tender should be specified, and all the possible evidence should be described and enclosed whenever possible. The objection has to be signed;
- 5) The contestant has to assume that a cost risk is associated with any objection: as a general rule, the losing party shall bear the procedural costs and, if applicable, the attorney fees of the adverse party.

Deadline/remarks: the fully completed and validly signed bid must be submitted in 2 hard copies (1 original and 1 marked colour copy) together with all the required attachments. In addition, a USB stick containing the complete bid must be submitted. In case of any

discrepancies between the electronic and the hard copy, the signed bid on paper shall be valid. The bids must be received by Nagra at the latest on above stated deadline. Bids arriving after this deadline will not be evaluated and will be returned unopened.

Remarks (desired deadline for questions in written form): questions have to be sent in English to the forum of www.simap.ch until above stated deadline. Questions asked after this deadline will not be answered. The answers will be published in the same forum.

National reference publication: Simap of 8.3.2019, doc. 1063501. Desired deadline for questions in written form: 29.3.2019.

Documents of the invitation to tender are available from 8.3.2019 until 18.4.2019.

Conditions of payment: none.

VI.4. Procedures for review

VI.4.1. Review body

Official name: Bundesverwaltungsgericht

Postal address: Postfach

Town: St. Gallen

Postal code: 9023

Country: Switzerland

VI.5. Date of dispatch of this notice

08/03/2019
