The contract currently offers a financial return to St Francis of Assisi Catholic Technology

College each year, with the only charges being made in respect of hospitality and free issues. This equates to an annual charge of 13 000 GBP approximately.

The duration of the contract being offered is three years commencing on 1.4.2014 and concluding on 31.3.2017 and will be on a guaranteed performance basis.

It is hoped that the successful contractor will make inward capital investment to improve the catering services offered to both staff and pupils within the School.
