II.1.4. Short description

Hå municipality, hereinafter referred to as the contracting authority, needs to enter into a purchasing agreement for the delivery of electric vehicles to the municipality's companies in lots 1 and 2.

Two (2) vehicles offered for each of the lots must be new and 2 of the vehicles that are offered must be used.

Used vehicles are offered as an option for the contracting authority (i.e. the contracting authority can change to new vehicles if desired)

An option for the delivery of up to 2 additional electric vehicles (new or used) must also be offered.

The vehicles will be available to staff at Hå Health Centre Nærbø.

The contracting authority would like to contract 2 tenderers through 2 identical lots. It is possible to bid for both lots, but the same tenderer can only win one of the lots. The purchase of new and used vehicles during the contract period is assessed on an ongoing basis in accordance with the criteria stated in the contest.
