Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

II.1.2. Main CPV code

72212783 Content management software development services

II.1.3. Type of contract

Services

II.1.4. Short description

The TU Dublin Communications team requires a website for the newly formed TU Dublin. The website will be powered by a Web Content Management System (WCMS) in a secure and resilient cloud hosted environment. The TU Dublin website will be the gateway for information about TU Dublin for prospective and current students, research, industry, staff and visitors. It will encompass the new brand for TU Dublin and unify the 3 institutes and their respective campuses. The TU Dublin website will enable easy and speedy access for all users from any device ensuring an effortless and enjoyable experience for visitors to the site.

The service provider must, under this contract, deliver a new Website Content Management System (WCMS) including resilient hosting and the design, development and integration of TU Dublin web templates into the WCMS.

II.1.5. Estimated total value
