III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Company Registration Certificate Requirement:

Tenderers must be a legally established company. Documentation: Company Registration Certificate or equivalent from the tenderer's home country.

Tax certificate Requirement: The tenderer shall have delivered their tax statements and paid taxes and employers' national insurance contributions. Documentation: Certificate for payment of taxes and social security contributions — issued by the chief municipal treasurer. The certificates shall not be more than 6 months from the deadline for receipt of tenders

VAT certificate. Requirement: The tenderers shall have delivered their tax statements and paid Value Added tax (VAT). Documentation: Certificate for payment of VAT — issued by the tax collector/county revenue inspector. The certificate must not be more than 6 months from the deadline for receipt of tenders.

HSE self-declaration. Requirement: The tenderer must guarantee that the company works systematically to comply with the regulations in the health, safety and environment legislation and that it satisfies the Internal Control Regulations. The tenderer must also confirm that the organisation is legally organised in relation to applicable tax and working environment regulations for employees' professional and social rights, and shall accept that the Contracting Authority has the right to review and verify the company's system for safeguarding of health, environment and safety. Documented by: Signed HSE self-declaration form. See the annex.

III.2.2. Economic and financial ability

List and brief description of conditions: Financial Requirement: Sufficient economic solidity is required. Documented by: Credit evaluation/rating, not older than three months, and which is based on the last known accounting figures. The credit assessment shall be a so-called rating (containing a credit rating, part judgement and historical rating) and it shall be carried out by a publicly certified credit institution (e.g.: Dun & Bradstreet, Creditinform, Soliditet or equivalent institutions). If the tenderer has any valid reasons for not being able to provide the documentation requested by the Contracting Authority, the tenderer may prove his financial

position with any other document that is acceptable to the Contracting Authority. If the tenderer has such valid reasons, he may contact the Contracting Authority in writing in order to clarify which other documentation is acceptable.

III.2.3. Technical and professional ability

List and brief description of conditions:

Experience. Requirement: Experience from equivalent deliveries is required. Documentation: The company's most important contracts over the last 3 years, including their value, time frame and recipient.

Quality assurance/management system. Requirement: A good and efficient quality assurance and management system is required. Documentation: Certification in accordance with ISO 9000 or equivalent, possibly a statement of the company's quality assurance and management system.

Environmental management system. Requirement: System for environmental management. Documented by: Certification according to ISO 14001 EMAS registration, Environmental Lighthouse certification, other environmental management system verified by an accredited third party. Alternatively, a report of existing procedures, documenting that the supplier has a satisfactory system for environmental management will be accepted.
