Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement excavation services.

Reference number: AK-001437

II.1.2. Main CPV code

45112100 Trench-digging work

II.1.3. Type of contract

Works

II.1.4. Short description

Lyse is a Norwegian industrial group within energy and telecommunication, with the accompanying infrastructure. Lyse is owned by 16 municipalities in Sør-Rogaland. The entity covers the production and sale of energy and telecom products, as well as the development and operation of infrastructure. The group has its main activities and its main market in Sør-Rogaland, but it also provides services in a national market, in which Lyse provides broad band services to cooperation partners.

Lyse Elnett AS (the Company) is a 100 % owned subsidiary of Lyse AS; the controlling company in the Lyse group. The network company is responsible for development, operation and maintenance of the electricity network in the region.

For further information check: <http://www.lysekonsern.no/>

Lyse Elnett AS shall implement a competition for parallel framework agreements for excavation works. The assignments will be in the Lyse companies' supply area in Nord-Jæren. The main user of the contracts will be Lyse Elnett AS, but other Lyse companies shall also be able to make call-offs on the contracts.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45112100 Trench-digging work

II.2.3. Place of performance

NUTS code: NO043 Rogaland

Main site or place of performance: Lyse Elnett's supply area is Nord-Jæren.

II.2.4. Description of the procurement

The framework agreements apply for the excavation of ditches and the laying of cables and pipelines for the companies in the Lyse group, for the development, maintenance and troubleshooting of infrastructure. The size of the assignments will vary, troubleshooting and minor assignments that require a short response time will have direct call-offs on the framework agreement. Major assignments will be awarded after mini-competitions have been held (re-opening of the tender competition).

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 36

This contract is subject to renewal: yes

Description of renewals:

Unilateral option for the Contracting Authority to prolong the contract period with 2 years plus 1 year. The total contract period is 6 years.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11.

Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.4. Objective rules and criteria for participation

List and brief description of rules and criteria:
See the tender documentation.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

The majority of the works include maintenance, stand-by and error-recovery with short response time. This means that the contractor must be available on short notice. Response time is highly emphasised. The contract also includes work near high-voltage installations and transformer stations. The work language is Norwegian due to safety reasons.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Negotiated procedure with prior call for competition

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement
Framework agreement with several operators
Envisaged maximum number of participants to the framework agreement: 12

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated
