II.2. Description

II.2.2. Additional CPV code(s)

71351800 Topographical and water divining services, 71351820 Water divining services

II.2.3. Place of performance

NUTS code: NO0A2 Vestland

II.2.4. Description of the procurement

Bergen Vann KF would like to enter into a framework agreement for diving services in Bergen and Bjørnafjorden Municipalities.

The diving services will mainly be used for checks and repairs of sewage pipelines/inverted siphons in various types of material above/below water.

In many cases it will be necessary to use a car/boat/ROV (small/large) to be able to carry out the assignments.

Aggregate run pumps can be required.

It can be necessary to assist the contracting authority with pigging operations on sewage pipelines, (i.e., in cases where there is a need to disconnect inverted siphons).

The following can be required:

Inspections and improvements of intake pipelines in raw water sources and water pipelines in the sea/freshwater.

Inspection of internal sewage and surface water pipelines, and inspection of tunnels/culverts.

Detection of emission pipelines (sewage and surface water).

ROV.

Some assignments will require the use of a ROV.

Small ROV: Can, for example, be suitable for inspecting mountain lakes.

Large ROV: Can, for example, be suitable for the deep water and currents.

HSE.

The tenderer must always comply with Bergen Vann's HSE procedures.

The tenderer must comply with the regulations for the execution of work (chapter 26 on health and safety for work underwater or in increased ambient pressure).

All those who work with sewage water must be vaccinated against: Tetanus, Polio, and Hepatitis A (Havrix).

Start-up meeting — Agenda:

- review of HSE procedures in Bergen Vann,
- training in the Gemini Portal (map and checkpoint/building),
- review of critical sea and emission pipelines, and other critical installations on the map,
- review of sharepoint.

II.2.5. Award criteria

Price

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no
