II.2.4. Description of the procurement

The contracting authority Aust-Agder fylkeskommune and Agder Kollektivtrafikk AS hereby invite tenderers to a contest for passenger transport services, including standard transport of students, transport and individual facilitated school transport.

The geographical area is divided in one transport area for each municipality, except for Birkenes where there are two transport areas in accordance with Annex 1 — the Assignment description with annexes. Each tenderer must substantiate sufficient capacity for the transport the tender applies to. Reservations, if any, must be stated in accordance with description given in point 2.16.

Students in primary and secondary schools and sixth form colleges have, in certain cases, the right to permanent or temporary transport between their homes and schools in accordance with the Education Act. This applies to students who either have a long journey to schools, a dangerous school journey or permanent/temporary disability/illness. The assignment includes school transport for students who cannot meet their transportation needs through the ordinary route service, and whose place of residence is along one of the routes. The contract also includes transport needs within the municipality between education sites.

In principle the assignment includes all students that reside along the route and entitled to transport. The municipality will however only have one right, but no obligation to utilise the agreement for the students for whom the municipality is responsible for their school transport.
