II.1.4. Short description

Statistics Norway (SSB) needs to procure servers and equipment for existing computer rooms in Kongsvinger. The rent contract for these premises expires summer 2025, and operations will then be moved to a computer hall that we rent space in. SSB has also started to move the statistics production out to cloud platforms at Google and Azure, so that the need for hardware for the production of statistics will decrease over time.

The aim of the procurement is to enter into a contract for the procurement of complementary equipment for the operation and maintenance of the current server room. This includes HPE support, HPE blade and rack assembled servers, HPE Primera storage system, Dell PowerVault storage system, cables, PDUs, etc.

II.1.5. Estimated total value

Value excluding VAT: 1 900 000,00 NOK
