II.1.4. Short description

The contest concerns a framework agreement for joinery and carpentry services and materials thereof. The tenderer must provide materials for all assignments that are to be carried out by the tenderer, unless the Contracting Authority requires otherwise. The framework agreement must meet the municipality's need for such services and materials, for ongoing operation and maintenance work in the contract period.

See point 1.1.1 for a description of the participants in the contract.

The contract value is estimated to be above the EEA threshold value. The need is uncertain. Historically, the municipalities have procured for between NOK 6,000,000 and NOK 7,000,000 excluding VAT per year in the recent years. The volume can be both higher and lower, and will depend on, among other things, the contracting authority's needs, activities, budgetary situation and other framework factors.
