II.1.5. Short description of the contract or purchase(s)

Armoured military vehicles. AFV type approved Track and Associated Spares. A five to seven year enabling arrangement for the supply of a range of current In-Service armoured vehicle track and associated spares for the following family of vehicles: Challenger 2, ETS Titan and Trojan, Warrior, Bulldog, and CVR (T). All track and associated spares are classed as safety critical components. Therefore, suppliers will need to clearly demonstrate that all items supplied to the UK MoD are fully type approved and have been certified through the design authority BAES GCS for the above platforms and compliant to individual fighting vehicle (FV) drawing specifications. Any costs associated with the Type Approval of items shall be borne fully by the Supplier.

QA standards or equivalent: The supplier/manufacturer shall as a minimum hold and maintain a certification to BS EN ISO 9001:2000/2008, issued by an accredited body.

Supplier selection may be by Pre Qualification Questionnaire. The Authority reserves the right to seek clarification to PQQ responses. Additional pass/fail criteria provided within the PQQ will be Economic and Financial Standing and Quality Accreditation.

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the contract will be awarded on the basis of the most economically advantageous tender. Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at www.contracts.mod.uk

The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.
