II.1.4. Information about framework agreement

Duration of the framework agreement

Duration in years: 5

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT: 200 000 000 NOK

II.1.5. Short description of the contract or purchase(s)

The objective of the tender contest is to enter into framework agreements regarding consultancy services for customer-related functions in the project (the service area customer service competence). The tenderers will fortify the Brønnøysund Register Centre's project during the entire or parts of the project period and possibly in the entire line organisation if this is required as a result of the project. The scope is extensive and will require cutting-edge expertise in several in several fields. The contracts will cover the requirement for competence and capacity that the contracting authority is lacking internally. Requirements for solving independent assignments in the form of assignment agreements may also occur.
