CORMAC Solutions Limited was formed on 1.4.2012. It is an arms-length, wholly owned company of Cornwall Council. CORMAC Solutions acts as the main body responsible for managing the inspection of highway structures. In accordance with the Highways Act 1980, CORMAC Solutions is responsible for the inspection and maintenance of highway structures which mainly take the form of bridges, culverts and retaining walls. All highway bridges and culverts which are the responsibility of CORMAC Solutions receive a biennial general inspection. Approximately 20 % of these structures present problems of access so that a diving or remote camera inspection is required as part of the general inspection. CORMAC Solutions has appointed a suitably qualified and experienced Contractor to provide the service for these inspections.
