Title: Support to the Africa-EU Space Partnership Programme – AESPP Boost

Description: The services contract will provide technical assistance to the European Commission services including EU Delegations, the implementing partners and stakeholders involved in the Africa-EU Space Partnership Programme (AESPP). The AESPP contributes to more effective use of space technologies, based on the EU Space programme such as Copernicus and Galileo, through the development of services and applications focusing on the most pressing challenges related to the green transition sectors. The objective of AESPP Boost is to support the AESPP programme for better coherence, synergies and impact of the actions by (i) fostering dialogue and coordination among the implementers, partners, stakeholders and other programmes, (ii) providing tailored services (technical assistance, organisation of events, user reach out, etc.) to boost the actions notably to enhance EU private sector involvement / economic interest in line with the Global Gateway and (iii) producing actionable knowledge for relevant stakeholders such as user engagement material.
