II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

University Hospital of South Manchester (UHSM) is looking to acquire a chemotherapy e-Prescribing solution to replace our current paper based system. The new system will help bring the trust up to standard with reporting outcome data to the national SACT database. It will also help improve patient safety and clinical governance around chemotherapy prescribing and administration at the trust. The system should already be operational in an acute care Trust in the UK.

The Contract will be for an initial period of 3 years with an option to extend for a further 3 years in 12 month intervals (3 plus 1 plus 1 plus 1 years).
