Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Secretary of State for Defence (The Authority) intends to enter into a contract with Racal Acoustics Ltd (UK) for the procurement of Spares and Post Design Services for Racal headsets currently used in service.

It is considered that this contract can be procured using the negotiated procedure without prior publication of a contact notice pursuant to Article 28(1)(e) of directive 2009/81/EC (regulation 16) for technical reasons.

Racal is the OEM and the only economic operator with the necessary rights; Racal is currently the sole provider of the approved parts in question. Racal headsets are widely used across various platforms in the air environment and must be delivered and maintained in accordance with MAA regulations. As a result all parts must be accompanied with an authorized release certificate and be appropriately marked. Any deviations from the current build standard must be qualified in accordance with MAA regulatory Policy.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice
