Reference number: TII142

**II.1.2. Main CPV code**

71356300 Technical support services

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

TII has a requirement to establish a panel of industry experts and specialists to provide ad hoc specialist services for its projects as considered necessary. TII's objective is to establish a standing list of industry experts and specialists, with expertise in certain specialist fields, who can be called upon to provide TII with ad-hoc support as required by TII. TII intends to establish a Dynamic Purchasing System (DPS) to provide a streamlined procurement route for engaging the specialist services of such individuals. For example, TII may have a requirement for a steering committee member, a project evaluation board member, an expert witness, an independent technical advisor, a trainer or an industry expert.

**II.2.3. Place of performance**

NUTS code: IE Éire / Ireland

**II.2.4. Description of the procurement**

TII has a requirement to develop a panel of experts who:

- have extensive personal knowledge / wisdom and skills in particular areas (transport, road, metro, light rail etc.) based on their many years of experience,
- can be relied upon to offer completely unbiased and independent comment and, in this context, can confirm non-association with industry players so as to avoid any conflicts of interest.

In all instances the individuals will be engaged with a view to harnessing their personal knowledge / wisdom and skills in the context of a specific initiative, typically the engagement would be:

- in respect of high-value and/or high-risk initiatives,
- for a limited period and for a limited number of hours, and
- would not involve the engagement of the individual's support staff or associates.

Please download the Information Pack for a full list of the categories of experts that may be required for TII projects.
