Procurement of completely buried waste wells for Årim AS

**II.1.2. Main CPV code**

44613700 Refuse skips

**II.1.3. Type of contract**

Supplies

#### **II.1.4. Short description**

Purpose of the procurement

The owner municipalities of ÅRIM AS will have the opportunity to purchase waste wells under this contract.

The purpose of the contract is to cover the contracting authority's need for completely buried waste wells, primarily for the collection of household and cottage waste. Waste wells with large deposits will be able to be used for businesses, such as schools.

#### **II.1.5. Estimated total value**

Value excluding VAT: 40 000 000,00 NOK

#### **II.1.6. Information about lots**

This contract is divided into lots: no

### **II.2. Description**

#### **II.2.3. Place of performance**

NUTS code: NO0A3 Møre og Romsdal

#### **II.2.4. Description of the procurement**

Purpose of the procurement

The owner municipalities of ÅRIM AS will have the opportunity to purchase waste wells under this contract.

The purpose of the contract is to cover the contracting authority's need for completely buried waste wells, primarily for the collection of household and cottage waste. Waste wells with large deposits will be able to be used for businesses, such as schools.

#### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6. Estimated value**

Value excluding VAT: 40 000 000,00 NOK

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Start: 01/05/2023 End: 01/05/2027

This contract is subject to renewal: no

#### **II.2.10. Information about variants**

Variants will be accepted: no

#### **II.2.11. Information about options**

Options: yes

Description of options:

A framework agreement will be signed with one tenderer for the assignment. The framework agreement duration will be 2 years. The contracting authority has an option to extend the framework agreement for a further one year + one year, a total maximum of four years.

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

#### **II.2.14. Additional information**

### III.1. Conditions for participation

#### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally established company.

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have the financial strength to be able to fulfil the contractual obligations.

Minimum level(s) of standards possibly required:

The tenderer's Annual Financial Statements including notes and the board and auditor reports for 2021. Additionally, tenderers are asked to present a credit rating from a reputable credit rating agency, not older than 6 months from the tender deadline.

The contracting authority reserves the right to obtain a credit assessment from a recognised credit rating company.

Financial strength is evaluated in relation to turnover, operating profit margin, solidity and liquidity.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

- 1) Tenderers must have sufficient implementation ability to fulfil the contract.
- 2) Tenderers must have good experience from relevant and comparable deliveries. Relevant and comparable deliveries mean assignments of the same nature, scope and size.
- 3) Tenderers must have a documented and implemented satisfactory quality assurance /management system.
- 4) The tenderer must have and operate a good and functioning environmental management system.

Minimum level(s) of standards possibly required:

- 1) A short, overall description of the organisation shall be given, including:

An account of the company's core competence related to the scope of the delivery.

A description of how the tenderer is organised for the implementation of this contract, as well as the tenderer's available capacity. An organisation plan shall be presented.

A description of the proportion of the contract that the tenderer is considering to sub-contract out.

- 2) Completed version of Annex 5 - Reference Descriptions, with a description of 2 of the tenderer's most relevant and comparable assignments from the last 3 years.

Tenderers must document compliance by completing the attached template for Reference Descriptions.

See Annex 5 - Referansebeskrivelser (Reference descriptions)

Tenderers are asked to attach any available signed attestations from previous assignments.

- 3) A short description of the tenderer's quality assurance/management system.

The description must however be so detailed that the contracting authority can undertake an independent evaluation of whether the tenderer's quality assurance system can be considered well-functioning for this contract.

If a tenderer is certified in accordance with ISO 9001, it is sufficient to attach a copy of the valid certificate.

- 4) A brief and general description of the environmental management system the tenderer will use for the execution of the contract. The description must however be so detailed that the

contracting authority can undertake an independent evaluation of whether the tenderer's environment management system can be considered well-functioning for this contract. If a tenderer is certified by a public certification body (EMAS, Eco-Lighthouse, ISO 14001, or other recognised environment management systems or standards), it is sufficient to attach a copy of an issued certificate.
