II.2.4. Description of the procurement

NEUPC is seeking to award this lot for the provision of firefighting equipment and maintenance with the scope covering a range of products including, but not limited to, fire equipment, storage and protection, first aid equipment, passive fire equipment, door furniture, escape equipment, signage, wireless detectors and wireless call points across the UK. This

agreement will be open to universities and their partners regardless of whether or not they are to be defined as contracting authorities for the purpose of the PCR 2015. It is anticipated that some of the future call off contracts under this framework may be part funded from external streams, including European Union (EU) funding and (ERDF/ESF) and potentially other research bodies. All funding assessed under this framework will be considered compliant for the purposes of external funding by the named participants.

Suppliers will be able to bid to service any of the following 8 regions under this lot: Scotland, Northern Ireland, North West, North East and Yorkshire, Wales, Midlands, South West and South East, London and East Anglia. Suppliers may bid for any combination of regions, including one or all regions but they must be able to service 100 % of the members who can access the agreement within each region. It is possible for suppliers to be awarded a position on the framework in some, but not all, regions that they bid for, depending on the level of interest and quality of tender submissions received from other suppliers.

It is intended that the framework agreement will be awarded to 4 bidders per region on this lot, provided that there are a suitable number of bidders which meet any required minimum standards. NEUPC reserves the right to proceed with a lower number of bidders for all or any lot/region(s).
