2. Procedure

2.1. Procedure

Title: OS-26-02 Framework agreement construction materials

Description: Os municipality intends to enter into a framework agreement for the purchase of building materials. This includes wood, mouldings, doors, windows, iron products (screws, nails, fittings), manual tools, workwear, electrical tools etc. The aim of the procurement is to cover the contracting authority's ongoing need for building materials in connection with maintenance and minor new buildings on municipal properties that the municipality carries out under its own auspices. It is particularly important for the contracting authority to have access to construction materials in connection with unforeseen events where there is a need for quick improvement. Tenderers shall use their expertise and competence to contribute to fulfilling the aim of the contract.

Procedure identifier: 8b655cef-70fc-4afa-b181-b2e799275b23

Internal identifier: OS-26-02

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The estimated annual value of the framework agreement is approx. 1.500.000,-. The maximum value of the framework agreement is set to NOK 8,000,000, based on the last year's call-offs multiplied by length. The stated volume is based on historical figures. This is a framework agreement and does not carry any purchasing obligation from the contracting authority. Changes in organisation, budget and routines can affect the total volumes. Construction materials connected to separate projects are not included in this contract. See the attached requirement specifications.
