**I.4. Type of the contracting authority**

Other type: EACEA Cooperation Project 2018:2150

**I.5. Main activity**

Recreation, culture and religion

**Section II: Object**

---

**II.1. Scope of the procurement****II.1.1. Title**

Online Interactive Broadcast System

**II.1.2. Main CPV code**

72220000 Systems and technical consultancy services - JA10

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

Design and construction of an online platform for live interactive broadcasts. Design and construction of the system for uploading synchronized live video content to the platform.

#### **II.1.5. Estimated total value**

Value excluding VAT: 500 000,00 EUR

#### **II.1.6. Information about lots**

This contract is divided into lots: no

### **II.2. Description**

#### **II.2.2. Additional CPV code(s)**

32584000 Data-bearing media

#### **II.2.3. Place of performance**

NUTS code: SE110 Stockholms län

Main site or place of performance: Stockholm, Sweden

#### **II.2.4. Description of the procurement**

Design, development and construction of an online platform for live interactive broadcasts in three different formats: passive single screen livestream, VR, and a viewer-controlled multi-screen format which displays at least 7 synchronized livestreams from the same event and allows the viewer to choose which stream to view full screen, or two streams side by side, or picture within a picture. Design, development, and construction of the studio for uploading the streams in these multiple formats to the platform. Ideally, the studio will also incorporate PTZ remote controls of the various cameras. Design, development, and construction of an accompanying application which will allow for platform content on smartphones and pads.

#### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Attractiveness of platform design for the general public, ease of platform use by the viewing public, ease of platform management by administrators, ease of future upgrading of both the platform and studio for new technology / Weighting: 50%

Cost criterion - Name: It should be possible to provide the three components for under 500,000 euros. / Weighting: 50%

#### **II.2.6. Estimated value**

Value excluding VAT: 500 000,00 EUR

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 6

This contract is subject to renewal: yes

Description of renewals:

The contract is subject to renewal in the event that the developer wishes to provide continuing technical support and management of the platform and related components after they have been designed and made available.

#### **II.2.10. Information about variants**

Variants will be accepted: no

#### **II.2.11. Information about options**

Options: yes

Description of options:

It is possible to submit a tender offer for the platform alone, for the studio alone, and for the application alone. However, combining all three in the same bid will be advantageous as it can assure maximum compatibility of the three components of the broadcast system.

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
yes

Identification of the project: The procurement is an extension and/or follow up to EACEA Creative Europe Cooperation Project 2018: 2150.

#### **II.2.14. Additional information**

The design qualities being essential to the success of this project, tender offers should include a draft of the design of the components in question. No contract will be signed before a draft of the design for the platform, the studio, or the application has been submitted.

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

The development activities for the platform and the studio would ordinarily require an in house team of technicians with five to ten years of experience with online digital video transmission, as well as familiarity with VR technology. The development activity required for the accompanying application would ordinarily require at least 7 years of experience with application technology, as well as familiarity with the transmission of video and VR video on smartphones.

##### **III.1.2. Economic and financial standing**

Selection criteria as stated in the procurement documents

##### **III.1.3. Technical and professional ability**

Selection criteria as stated in the procurement documents

#### **III.2. Conditions related to the contract**

##### **III.2.2. Contract performance conditions**

The contract needs to be performed within a six month period of time, unless a longer time is negotiated in the procurement contract.

### **Section IV: Procedure**

---

#### **IV.1. Description**

##### **IV.1.1. Type of procedure**

Open procedure

##### **IV.1.3. Information about a framework agreement or a dynamic purchasing system**

##### **IV.1.8. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: no

#### **IV.2. Administrative information**

**IV.2.2. Time limit for receipt of tenders or requests to participate**

Date: 15/04/2023 Local time: 17:00

**IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates****IV.2.4. Languages in which tenders or requests to participate may be submitted**

English, French

**IV.2.6. Minimum time frame during which the tenderer must maintain the tender**

Tender must be valid until: 15/01/2024

**IV.2.7. Conditions for opening of tenders**

Date: 17/04/2023 Local time: 12:00

Place:

Paris, France

Information about authorised persons and opening procedure: John Paval. Project Director.

**Section VI: Complementary information**

---

**VI.1. Information about recurrence**

This is a recurrent procurement: no

**VI.3. Additional information**

It is not obligatory to provide the names and qualifications of those who will be doing the work, but it may enhance the comparative value of a tender offer vis a vis competing offers. The more experience with livestream technology, VR technology, uploading and app technology, the better.

**VI.4. Procedures for review****VI.4.1. Review body**

Official name: KonkurrensVerket

Postal address: Stockholms Län

Town: Stockholm

Postal code: 10385

Country: Sweden

E-mail: [konkurrensverket@kkv.se](mailto:konkurrensverket@kkv.se)

Telephone: +46 87001600

Fax: +46 8245543

Internet address: <http://www.konkurrensverket.se>

**VI.4.3. Review procedure**

Precise information on deadline(s) for review procedures:

The contract award will specify that the parties agree to resolve any disputes by voluntary mediation to be followed by binding arbitration without the intervention of outside counsel, to be conducted in Stockholm, Sweden. This provision will apply not only to the review of the procurement procedure, but to any disputes about the performance of the contract itself. Any vendor submitting a tender offer will be deemed to have consented in advance to this mediation/arbitration provision by virtue of this notice.

**VI.4.4. Service from which information about the review procedure may be obtained**
