II.1.4. Short description

Dorset HealthCare University NHS Foundation Trust is looking for a supplier to provide servicing and maintenance for our medical devices.

These services will need to be risk managed and programmed to ensure the compliance of the trust to all relevant legislation such as CQC outcome 11: safety, availability and suitability of equipment & HTM 01-05.

The following categories of equipment will need to be considered:

- Applications for one or more lots or for the full managed service will be considered,
- The expressions of interest should provide examples of systems proposed.

The proposals must include the following:

- Maintenance of an inventory of all equipment,
- Maintenance of contemporaneous records of service and maintenance,
- Provision of internal and participation in external audit,
- Maintenance of a library copy of equipment manual / handbook,

II.1.5. Estimated total value

Value excluding VAT: 2 000 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Offers will be invited for 1 or more of 4 lots detailed herein:

The Awarding Authority retains the right to determine if it should let a specific lot and is not required to let any or all lots.

The Awarding Authority does not commit to letting a contract(s) for any or all the components above, should it become evident that it is not economically advantageous to do so.

Suppliers will be able to bid for 1 or more lots.
