2. Procedure

2.1. Procedure

Title: Procurement of printers and multi-function machines with secure print.

Description: Indigo IKT is an intermunicipal ICT company that operates, administers and develops systems for 9 municipalities in Innlandet, with a total population of approx. 111,000 inhabitants. The following municipalities are owners of the company: Hamar, Stange, Kongsvinger, Sør-Odal, Løten, Nord-Odal, Grue, Våler and Åsnes in addition to being an IT partner for our owner municipalities, Indigo ICT provides services to several other public entities in the region, including cinemas, waterworks, fire brigades etc. approx. 27,000 people at over 320 physical locations use daily Indigo ICT's systems, both health personnel, teachers, pupils and administrative employees. The company has 48 employees (as of 28.01.2025) and has offices at Kjonerud competence centre at Hamar and in Kongsvinger. Indigo IKT has a combined portfolio of services that make the company a significant IT player in The Hinterland. Indigo ICT does not aim to maximise profits for its owners, but to provide services based on prices that ensure a healthy economy in the company.

Procedure identifier: 5bfb6b5c-9de5-4679-b59b-3d8fe3b80296

Internal identifier: 1

Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: The objective of the procurement is to cover Indigo ICT's need for printers and multi-function machines that can handle print, scanning and copying in an efficient and secure manner. The machines shall contribute to improving the handling of documents in owner municipalities and other public entities that are served. Secure print functionality is important for protecting sensitive documents and ensuring that only authorised persons have access to the printouts. Furthermore, the Contracting Authority requests machines that are environmentally friendly and cost efficient. Indigo IKT currently has approx. 500 multi-function machines in its network, in addition to approx. 200 black and white printers, through the existing agreement. The end-users of the printers and multi-function machines will be employees and pupils in primary schools, as well as municipal employees at town halls, municipal shared housing, nursing homes, cultural institutions etc. The schools will, however,

be responsible for the largest volume. The machines are currently financed through both purchase and hire agreements with the accompanying operational contracts.
