Procurement of governmental joint agreements for the purchase of flights

Lot No: Hvert avtaleområde (strekning + kabinklasse) anses som en delkontrakt.

II.2.2. Additional CPV code(s)

60410000 Scheduled air transport services

II.2.3. Place of performance

NUTS code: NO Norge

II.2.4. Description of the procurement

Statens innkjøpssenter [the Governmental Procurement Centre] hereby invites tenderers to a tender contest for a contract regarding the procurement of flights.

The joint agreements are related to the contracting authority's need for domestic and international flights.

The objective of the invitation to tender is to enter into joint contracts for flights for the contracting authorities, which give financial savings, reduced transaction costs, a reduced negative impact on the environment, increased use of e-commerce, and improved compliance with the regulations by coordinating procurements. Furthermore, the joint contract is expected to contribute to increased value creation by ensuring the best possible use of resources based on commercial terms and equality.

Statens innkjøpssenter [the Governmental Procurement Centre] shall enter into joint agreements for domestic and international flights. The joint agreements are related to the contracting authority's need for business trips flights. This includes flights to internal meetings in the company, but also flights for participation in courses and conferences, as well as other business-relevant business trips.

Statens innkjøpscenter is publishing the tender contests on behalf of the state administrative bodies, municipalities and counties included in Appendix 11: Contracting authority included in this agreement, hereinafter referred to as the contracting authorities.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 3 500 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

The contracting authority has an option to extend the joint contract for a further 1+1 year.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Municipal and county participation in the contract is included as an option. See the tender contest's provisions for more information.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

We are planning to enter into parallel framework agreements per agreement area in this contract.

An agreement area is defined as a combination of cabin class and route.

Each agreement area is considered as one lot. Contracts per agreement area are signed independently of other agreement areas / lots.

See the tender contest's provisions point 3.3.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation Requirement

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Verification that the tenderer is registered in a company register, trade register or a commerce register in the country where the tenderer is established.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The tenderer must have procedures for environmental management measures that contribute to minimising environmental impact related to flights.

Documentation requirement:

Description of relevant environmental management measures that can contribute to minimising the environmental impact of carrying out flights.

This can also be documented with certification tests from EMAS, ISO or equivalent certificates, provided that the certification has objectives and routines for achieving the contract owners' objectives.
