### **II.2.3. Place of performance**

NUTS code: NO011 Oslo

Main site or place of performance: Oslo.

### **II.2.4. Description of the procurement**

In recent years, NOKUT has developed the digital interaction platform eSam.

The system is self-developed on the Microsoft .Net platform and consists of several self-service portals adapted to services provided for Norwegian and foreign education and a separate case management solution adapted to NOKUT's foreign certification schemes.

NOKUT's strategy for 2020-2025 contains a goal to further develop the system to fully utilise the opportunities provided by digitising. NOKUT therefore needs to enter into a framework agreement for the purchase of services for consulting, further development and management of the interaction system eSam.
