II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers are required to have a legally established company.

Documentation: Norwegian companies: Company Registration Certificate.

Foreign companies: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: The tenderer must have the financial capacity to carry out the assignment /contract.

Documentation: The annual accounts shall not be enclosed. The Contracting Authority will collect information about the supplier's economical and financial standing through Proff (www.proff.no). The tenderer must ensure that this information is accessible on the website.

If this is not the case, the last 2 years Annual Financial Statements and Annual Reports must be submitted with the tender.

Companies that do not fulfil the requirements themselves can enclose a guarantee, for example from a parent company/subsidiary company. Any guarantee obligation must be enclosed with the tender and cannot be sent at a later date.

If the tenderer has any valid reasons for not being able to provide the documentation requested, the tenderer may prove his financial position with any other document that is acceptable to the Contracting Authority. If the tenderer has such valid reasons, he may contact the contracting authority in writing in order to clarify which other documentation is acceptable. Information of any recent financial information not yet registered in public registers, with relevance to the supplier's financial implementation, shall be given.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Necessary authorisations for conducting the courses, in regard to the deadline and during the entire contract period.

Documentation: Basic security courses: A copy of the certificate/approval from the Norwegian Maritime Authority (or dispensations from the Norwegian Maritime Authority).

More extensive safety courses: A copy of the certificate/approval from the Norwegian Maritime Authority (or dispensations from the Norwegian Maritime Authority).

Medical treatment courses: A copy of the certificate/approval from the Norwegian Maritime Authority (or dispensations from the Norwegian Maritime Authority).

Lifeboat operator courses: A copy of the certificate/approval from the Norwegian Maritime Authority (or dispensations from the Norwegian Maritime Authority).

Requirement: The tenderer must have a quality management system that is approved by the Norwegian Maritime Authority and certified in accordance with reputable standards (or dispensations from the Norwegian Maritime Authority).

Documentation: Copy of certification/approvals/dispensations.
