OJ S 77/2016 20/04/2016
Contract notice
Supplies

Directive 2004/18/EC

Section I: Contracting authority

I.1. Name and addresses

Official name: University of Tampere

Postal address: Kalevantie 4

Town: Tampere

Postal code: FI-33014

Country: Finland

Additional information can be obtained from:

Official name: Hansel Ltd

Country: Finland

E-mail: kilpailutus@hansel.fi

Telephone: +358 294444200

Tenders or requests to participate must be submitted: Official name: Hansel Ltd

Postal address: P.O. BOX 1386, Mannerheiminaukio 1 A

Town: Helsinki

Postal code: FI-00101

Country: Finland

I.2. Type of the contracting authority

Body governed by public law

I.3. Main activity

Education

I.4. Contract award on behalf of other contracting authorities

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

PAK 17: Super-resolution Confocal Microscope.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Tampere.

NUTS code FI1 Manner-Suomi

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

University of Tampere will acquire super-resolution imaging system based on Structured Illumination Microscopy (SIM). In addition to fixed samples, the system will be capable of imaging live-cell/tissue samples in physiological conditions (super-resolution imaging is here defined as a technology where image resolution beyond Abbes-diffraction limit, defined by the optical configuration of the system, is achieved (excluding deconvolution and other purely computational methods)).

The SIM system must be combined with laser scanning confocal microscopy (LSCM). Also the installation and maintenance service of the imaging system are included in this procurement.

Detailed requirements for the subject-matter of the contract can be found in the Invitation to Tender and its annexes.

II.1.6. CPV code(s)

38510000 Microscopes, 50000000 Repair and maintenance services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

See the Contract annexed to the Invitation to Tender.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Registration.

Requirement.

The tenderer shall be registered in the professional or trade register of its domicile country.

Information to be provided.

If later requested by the University of Tampere, the chosen supplier shall provide relevant certificates (company registration document) before concluding the contract.

III.2.2. Economic and financial ability

List and brief description of conditions: Payment of taxes and social security fees and exclusion criteria in the Act on Public Contracts.

Requirement.

The tenderer has fulfilled obligations relating to the payment of taxes or social security contributions in Finland or in the country in which it is established. The obligations shall be fulfilled by the deadline for the receipt of the tenders. The tenderer shall not be subject to exclusion criteria as defined in Section 53 of the Finnish Act on Public Contracts.

If the tenderer is a group, these requirements shall be met by all its members individually.

The tenderer shall take into account when drawing up its tender the obligations relating to taxes, to environmental protection and to working conditions as defined in Section 50 of the Finnish Act on Public Contracts.

The tenderer assures:

1) That it has paid all the taxes and social security payments; and if there is tax debt or unpaid social security payments, the tenderer shall provide all necessary statements (scheme of payment) if requested.

2) That a person having powers of representation, decision or control in respect of the tenderer has not been convicted by judgement that has the force of res judicata for any offence concerning his professional conduct as specified in Section 53 of the Finnish Act on Public Contracts, and.

3) That it has taken into account, when drawing up its tender, the obligations relating to taxes, environmental protection, employment protection and the working conditions which are in force in the place where the product is to be delivered.

Information to be provided:

The chosen supplier shall provide evidence concerning section 1 above before concluding the contract. If required by the contracting authority, the chosen supplier shall also provide evidence concerning section 2 above before concluding the contract.

III.2.3. Technical and professional ability

List and brief description of conditions:

The tenderer's experience (References).

Requirement.

The Tenderer, and any subcontractor, must have sufficient technical capacity, competence and experience on delivering super-resolution imaging systems for a professional use. The Tenderer must have adequate equipment, tools and methods to design and manufacture the requested imaging system.

The tenderer shall have:

— Proven experience on successfully providing at least 2 SIM super-resolution imaging systems in the past (the system delivered doesn't have to be the same model the tenderer offers in this tender competition);

— The references shall be from the past three (3) years.

If the tender is made as a consortium, members of the consortium may fill the requirements together.

If the tenderer uses subcontractors, the tenderer may fill the requirements together with its subcontractors provided that the subcontractors take part in the manufacture or delivery of the imaging system offered.

Information to be provided

The tenderer meets the requirement and provides the required information in the tender form.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

IV.3.4. Time limit for receipt of tenders or requests to participate

1.6.2016 - 16:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

English. Finnish.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

until: 31.10.2016

IV.3.8. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

VI.2. Information about European Union funds

VI.3. Additional information

Hansel Oy operates as a consultant that assists the Contracting Authority in this procurement procedure.

The invitation to Tender documents can be requested from Hansel Oy by sending an email with the reference "University of Tampere, PAK 17 Super-resolution Confocal Microscope" in the subject field of the e-mail to kilpailutus@hansel.fi Please provide the tenderer's contact details with the request.

VI.4. Procedures for review

VI.4.1. Review body

Official name: Markkinaoikeus
Postal address: Radanrakentajantie 5
Town: Helsinki
Postal code: FI-00520
Country: Finland
E-mail: markkinaoikeus@oikeus.fi
Telephone: +358 295643300
Fax: +358 295643314
Internet address: <http://www.oikeus.fi/markkinaoikeus>

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: See the Finnish Act on Public Contracts 348/2007.

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

15.4.2016
