II.1.5. Short description of the contract or purchase(s)

Norwegian Broadcasting Corporation (hereinafter referred to as NRK) invites you to apply for participation in the competition for entering into a contract for the lease of a computer room. NRK need future proof contract for rental of a computer-room and related services that best suit the needs of our business at any given time. The term "computer room" is intended to describe a location suitable to install and operate IT equipment – typically mounted in the racks. We regard this procurement as complex because we realize that the need can be met in several ways and want to ensure that it is possible to assess the degree of fulfillment of different requirements mutually and that good performance one requirement can reduce the need for one another in this procurement. NRK is at the forefront in the use of modern technology, which makes great demands on the services rendered.

For this competition we will be using Merzell Sourcing Service. To register your interest in this tender and access documents, please click on the link below or copy and paste the link into your browser. <http://permalink.merzell.com/38734722.aspx>
