**II.1. Description**

**II.1.1. Title**

Application for Select List to replace CCTV cameras, install new cameras, integrate existing systems and provide maintenance and monitoring services for public surveillance CCTV within the Derry City Council area.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Derry City Council.

NUTS code UKN05 West and South of Northern Ireland

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

**II.1.4. Short description of the contract or purchase(s)**

The aim of the CCTV system in Derry City Council area and the full-time monitoring of the cameras is to provide a safe environment for those people who work, visit, use and enjoy the facilities provided within the City.

The objectives of the CCTV system and the full-time CCTV monitoring facility are:

— To assist in the prevention and detection of street crime,

- To deter public disorder and anti-social behaviour,
- To help in the apprehension and prosecution of offenders in relation to crime and public disorder,
- To assist with the policing of major events/festivals and/or incidents,
- To improve community safety within the City.
